Sample "Wander in the Night" Poem for Children and Grownups

Wander in the Night
When the moon rises high and stars start to gleam,
The world becomes a canvas for a child's dream.
Tiptoe softly through the whispering trees,
And listen close to the humming breeze.
Shadows dance beneath the silver light,
Guiding you gently through the quiet night.
See the twinkling stars up above,
Each one a spark of magic and love.
In the hush of darkness, wonder grows,
Where the nightflower's secret softly glows.
Every step a tiny quest,
To find the dreams that sleep in your chest.
For grownups too, the night holds peace,
In quiet moments, worries cease.
Look up at the endless sky so wide,
And feel your heart swell with gentle pride.
Wander, explore, and let your spirit fly,
Under the watchful eye of the sky.
Night is a gift, both calm and bright,
For children's dreams and grownups' delight.
